

Managing Flu Vaccination Services with SONAR - GP GUIDE

In this guide

Recording consultations	Page	Contacting SONAR	Page
- Review consultations summary	1	- Need to contact SONAR?	3
- Review the consultations data		- Book a one-to-one session	
- Downloading consultations data			

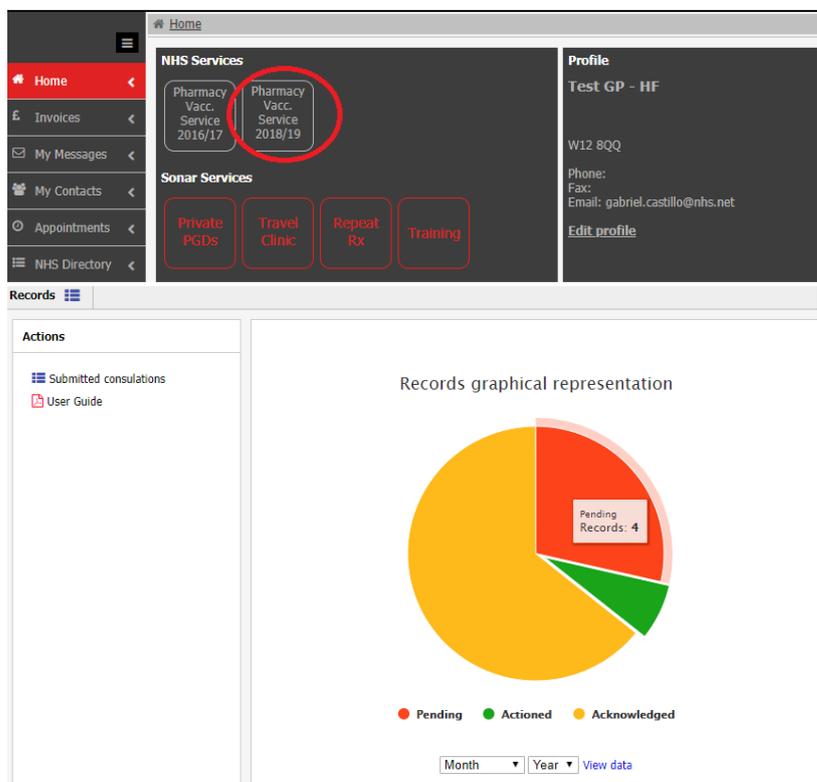

On SONAR:-

- GPs can get direct access to SONAR patients being vaccinated in Pharmacy
- GPs can review full vaccination info when logged in directly into SONAR
- Review daily consultation insights
- You can export and download consultations data in several formats that integrate with your in-house software.

Reviewing consultations summary

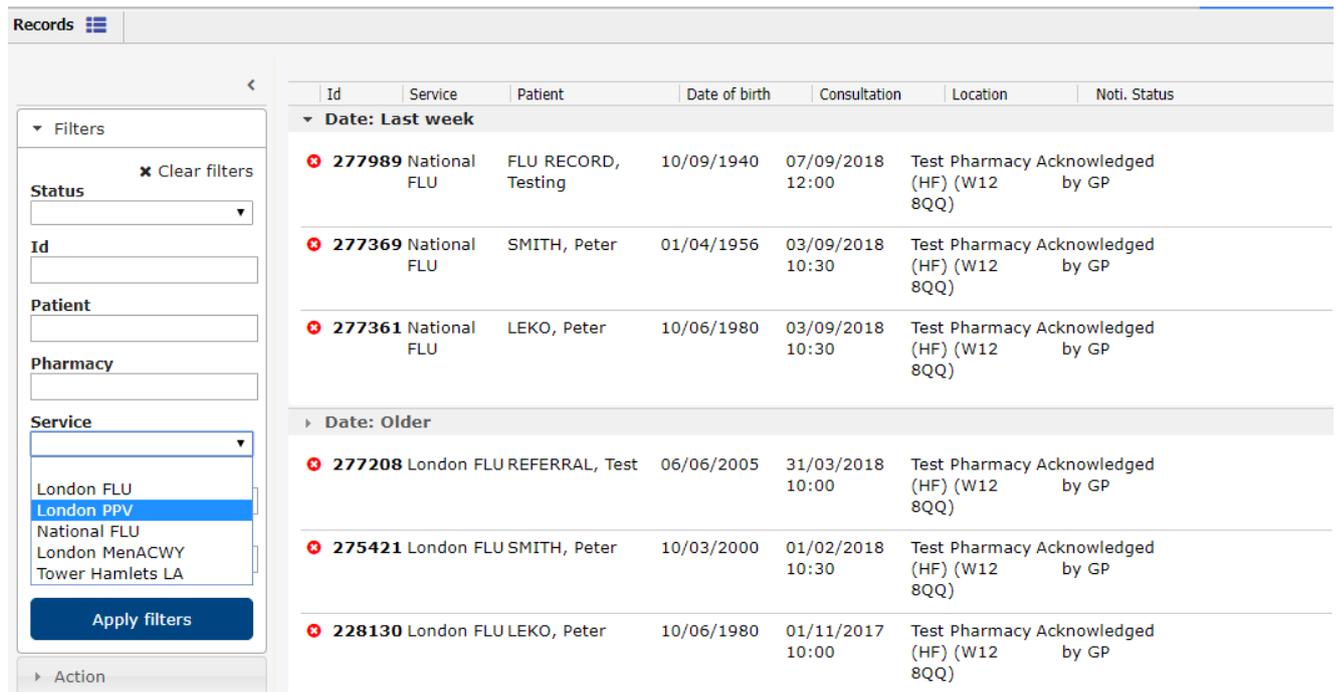

Locate the Flu Service

1. Find the service: – in the left menu click on the “Home” then click on the “Pharmacy Vacc. Service 2018/19” in the group of “NHS Services”.
2. This is then National Flu Service. Click on it and it takes you to the Flu Vaccination service page. On the landing page you will see a graphical representation of the status of all vaccinations. You can drill down into a specific month and “View data” for your selection.

Review consultations data submitted from pharmacy

1. In the service page, find the  Submitted consultations icon and click on it
2. The patient consultations are listed on this page. When you click on a consultation, detail information is listed on the right-hand side of the page showing “patient info” and “service details” (inclusions, read codes and more).
3. On the left-hand side of this page, you can filter the list of records – select options and click the “Apply filters” button. This will filter the list of submitted consultations.

The screenshot shows the 'Records' interface. On the left, there is a 'Filters' panel with sections for Status, Id, Patient, Pharmacy, and Service. The 'Service' dropdown is open, showing options like 'London FLU', 'London PPV', 'National FLU', 'London MenACWY', and 'Tower Hamlets LA'. Below the filters is an 'Apply filters' button. The main area displays a table of consultations with columns: Id, Service, Patient, Date of birth, Consultation, Location, and Noti. Status. The table is filtered by 'Date: Last week' and shows three records:

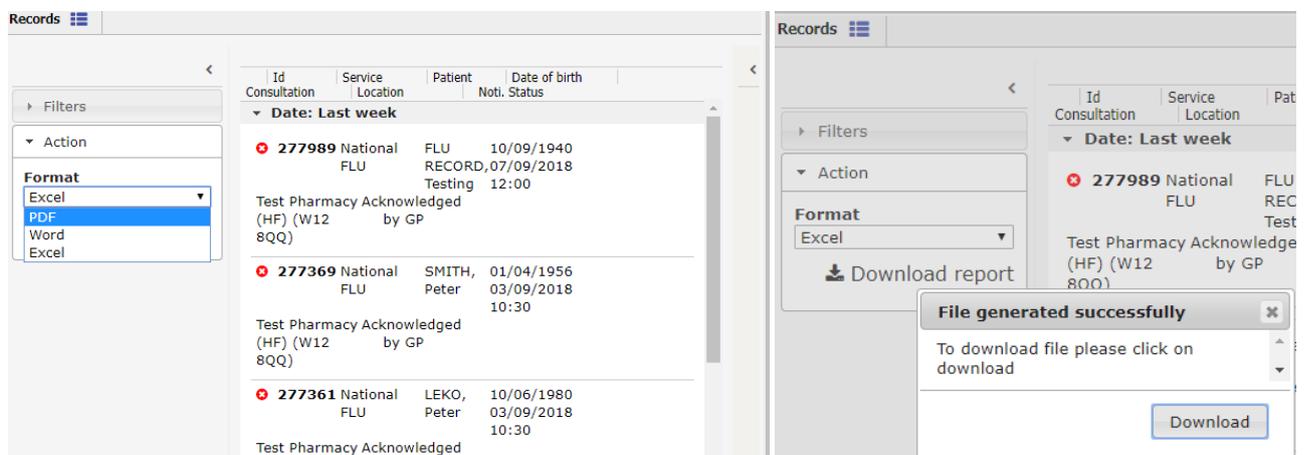

Id	Service	Patient	Date of birth	Consultation	Location	Noti. Status
277989	National FLU	FLU RECORD, Testing	10/09/1940	07/09/2018 12:00	Test Pharmacy (HF) (W12 8QQ)	Acknowledged by GP
277369	National FLU	SMITH, Peter	01/04/1956	03/09/2018 10:30	Test Pharmacy (HF) (W12 8QQ)	Acknowledged by GP
277361	National FLU	LEKO, Peter	10/06/1980	03/09/2018 10:30	Test Pharmacy (HF) (W12 8QQ)	Acknowledged by GP

Below these records, there is a section for 'Date: Older' with three more records:

277208	London FLU REFERRAL, Test		06/06/2005	31/03/2018 10:00	Test Pharmacy (HF) (W12 8QQ)	Acknowledged by GP
275421	London FLU SMITH, Peter		10/03/2000	01/02/2018 10:30	Test Pharmacy (HF) (W12 8QQ)	Acknowledged by GP
228130	London FLULEKO, Peter		10/06/1980	01/11/2017 10:00	Test Pharmacy (HF) (W12 8QQ)	Acknowledged by GP

Downloading consultations data

After filtering the list of consultations, look in the “Action” panel underneath the filters panel. Select an export format and click the “Download report” link. A pop up will confirm that your download is ready. Click the “Download” button to download the data set.

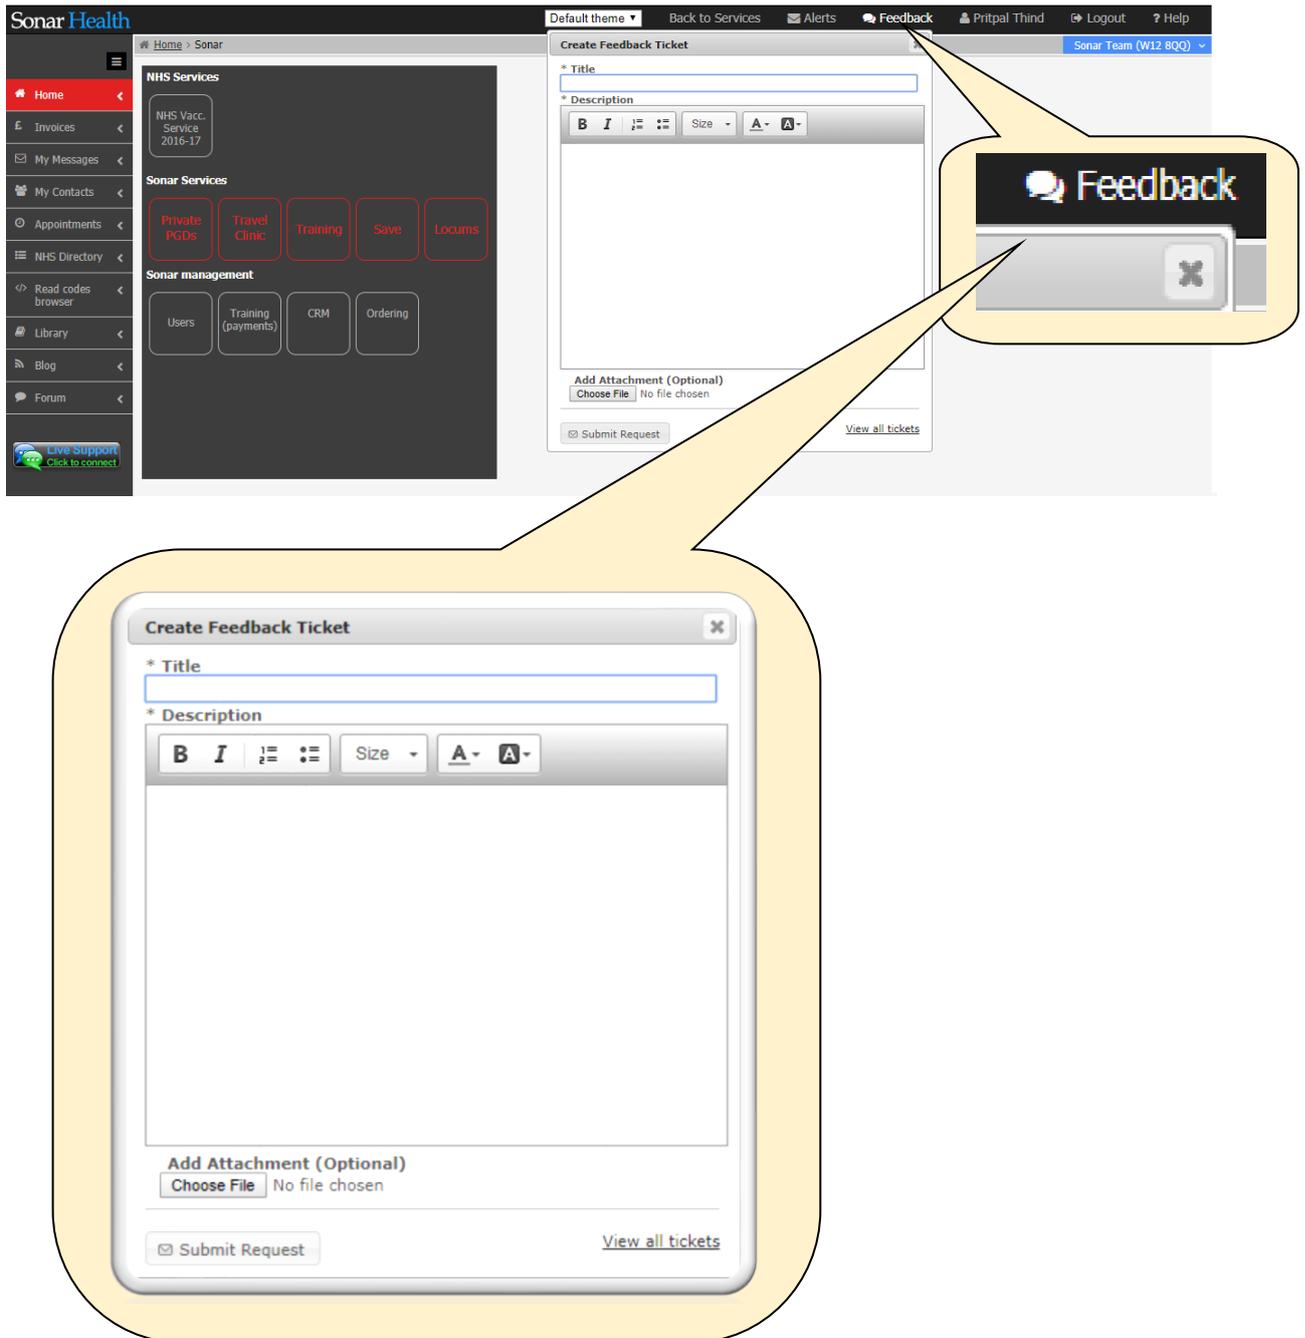

The screenshot shows the 'Records' interface with the 'Action' panel open. The 'Format' dropdown is set to 'Excel'. Below it is a 'Download report' button. A 'File generated successfully' pop-up is visible, with the text: 'To download file please click on download' and a 'Download' button.

Need to contact SONAR?

Option A – use the feedback link to create a “Support Ticket”

Once logged in click on the “Feedback” link in the top area of your website.

Create a feedback ticket. Please provide as title, the reason for your feedback. Please provide a clear description of your request or feedback. You can choose to attach a screenshot to make clear your feedback.

Need to contact SONAR?

Option B – Email us at info@sonarinformatics.com

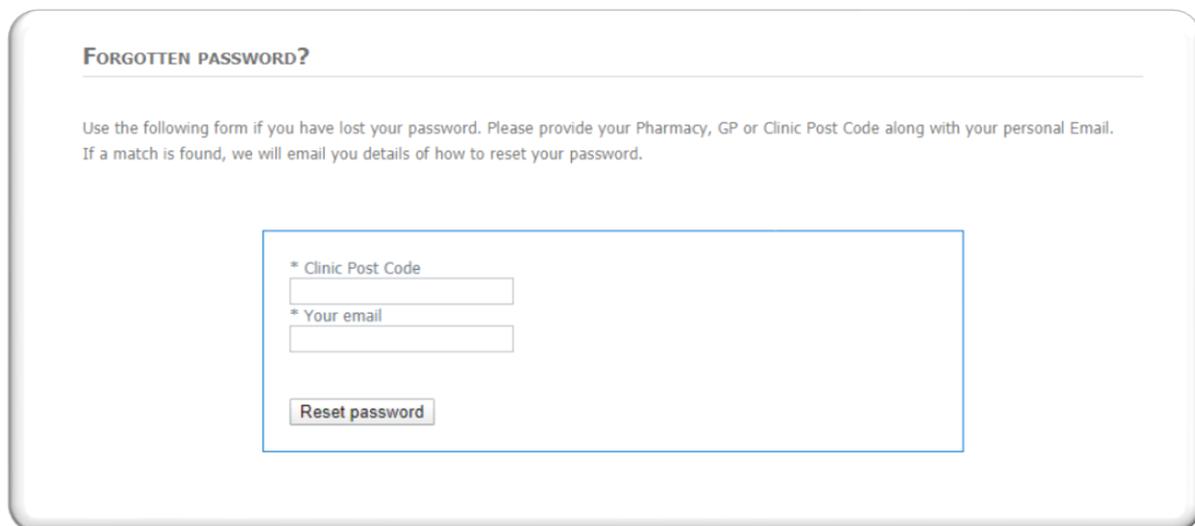

For all requests made, we will do our best to respond within 4 hours.

Option C – No response or more urgent call?

Please call 0808 743 9440 or 0208 811 2307

Forgotten your password?

On the SONAR website login pages, please click the “Forgotten password” link. Use the form to provide your pharmacy, GP or clinic postcode with your personal email.

FORGOTTEN PASSWORD?

Use the following form if you have lost your password. Please provide your Pharmacy, GP or Clinic Post Code along with your personal Email. If a match is found, we will email you details of how to reset your password.

* Clinic Post Code

* Your email

Book a one-to-one session

Need extra support with the Flu service?
